"Our mission is to develop the Lady Mystics Basketball team and to compete in the NABI Tournament"

My name is Coach Everett Largo. I am the Head Coach for the Lady Mystics Basketball team. I would like to welcome you to our Lady Mystics Basketball team.

The goal of the Lady Mystics Basketball team is to assist our Native female student-athlete to reach the next level of competition. We do this by providing a positive environment that stresses fundamentals, teamwork, and dedication to the Lady Mystics Basketball team.

We are excited about participating in the Annual Native American Basketball Invitational (NABI) tournament. Our parents, the Lady Mystics Basketball players, Elvira Garcia (Lady Mystics Team Coordinator) and Joe Torres (Lady Mystics Assistant Coach) will be our key contributors to our Lady Mystics Basketball team. Our staff and other key volunteers complete the support system that is so important for our Lady Mystics Basketball team to continue to reach new levels of success.

If you have questions, please do not hesitate to contact Coach Largo at: coachlargo@hotmail.com or you can call or text me at 623.692.7901. For more information, you can visit the Lady Mystics Basketball website at: <http://www.nativehoops.com/phoenixladymystics.html>

Phoenix Lady Mystics Basketball

Overview

Our NABI Girl's Basketball Team: Our Lady Mystics Basketball players are Native American High School basketball players with advanced skills who have committed themselves to becoming the best basketball players possible. They are working towards becoming good high school basketball players, with the dream and goal of playing at the college level. These Native players are student-athletes from the Phoenix Metropolitan area.

Lady Mystics Basketball Coaches: The Lady Mystics Basketball coaches have knowledge of basketball fundamentals, competitive coaching experience for tournament play, and have the ability to instruct these athletes to enhance their awareness of the game. The goal of the coaching staff is to take 12 players who are serious about basketball and help them find ways to have fun, compete, learn, develop, be challenged, work hard, and grow to be as good as they want to be. Our coaches are devoted to the fundamentals of basketball. We emphasize defense, ball handling, shooting, transition, teamwork, passing, footwork and becoming a complete basketball player. The coaches on the Lady Mystics Basketball team are volunteers. All coaches in our program are coaching because of their love of the game and because of the positive learning environment we provide for the players.

Lady Mystics Basketball Playing Season:

1. Phoenix Lady Mystics Basketball team formation begins in August 2011 through March 2012.
2. Practices officially start after the Arizona High School State Tournament (March 2012).
3. Team practices will be on Mondays from 5:30 pm to 7:30 pm in Phoenix, Arizona.
4. The Lady Mystics Basketball team will play in local Native summer basketball tournaments.
5. The Phoenix Lady Mystics Basketball team plans to participate in the 10th Annual Native American Basketball Invitational (NABI) tournament in July 2012.

Player & Parent Commitment: Practices are so important to the success of the Lady Mystics Basketball team. If you miss practice, you should be prepared to watch some of your teammates from the bench during games.

The Lady Mystics Basketball team will practice once a week for up to two hours per session. Practices and games can run from March through July. Commitment from both players and parents is essential. An uncommitted player is unfairly occupying a position that a committed player would love to have.

Purpose and Commitment

The purpose of this handbook is to familiarize both the parents and players with the Lady Mystics Basketball team. We hope this handbook will answer many of the questions that may arise.

The main goal of the Lady Mystics Basketball team is to compete in the 10th Annual Native American Basketball Invitational (NABI) tournament in Phoenix, Arizona. The second purpose is to assist each of our players in becoming quality high school basketball players. The third purpose is to pursue athletic scholarships for those players that have the desire, athletic ability, and academic standing to play at the collegiate level.

To be successful, the rules of the handbook must be followed. The Lady Mystics Basketball team expects our athletes and their parents to present themselves in a courteous and polite manner to everyone they encounter. We represent the Lady Mystics Basketball team and we want to promote the highest level of sportsman-like conduct.

Playing basketball with the Lady Mystics Basketball team requires a strong commitment to the game, your coaches and your teammates. It is important that everyone involved understands that each is willing to make this commitment in order for the student-athlete to become the best basketball player she can be.

Selection Process

Players are evaluated on attitude, teamwork, and skill execution such as ball handling, shooting, etc. We select athletes based on the following criteria: athletic ability, work ethic, drive, coachability, competitive attitude, skill ability, and potential.

We expect you to have a good attitude, to work hard, improve your game, and to compete with your teammates for playing time and team placement. There is no guarantee of equal playing time, or team placement. Your playing time and team placement will be determined by the Lady Mystics Basketball coaching staff.

Anyone who has a serious medical condition should speak with Coach Largo or Elvira Garcia (Team Coordinator) prior to the start of the season. It should be noted that if a player is injured or is sitting out of practices due to injury or illness, they must have a doctor's release before they will be allowed to practice or participate again on a regular basis.

Parent/Player/Coach Relationship

The Lady Mystics Basketball team can teach many positive traits, such as respect, the spirit of cooperation, self-discipline, and regard for physical fitness.

We ask that parents refrain from criticizing opposing players, other parents, other teams, teammates, or officials.

In our spectator enthusiasm, we are often prone to issue instructions to the players that are contrary to those of the coach; this only causes confusion for the players. **PLEASE ENCOURAGE YOUR DAUGHTER TO FOLLOW HER COACH'S INSTRUCTIONS AND LEAVE THE COACHING TO THE COACH.** Parents need to align themselves with the coach in teaching their daughter how to cope with the natural frustrations of being a member of a team. Sports provide an excellent opportunity to teach young women about the realities of competitive situations. They must be taught how to be a cooperative team member, how to make use of both positive and negative feedback, how to cope with adversity, how to achieve mental toughness, and how to be a gracious winner or loser.

When a player has an issue with the coach, parents have the responsibility of teaching their daughter the steps necessary to remedy the situation. The following steps should be taken if a player has a grievance with the coach:

- STEP ONE:** The player should discuss the problem/concern with the coach and try to arrive at a solution to the problem.
- STEP TWO:** The parent should call the coach and schedule an appointment for the player, parent, and coach to meet at an appropriate time.
- STEP THREE:** If the above steps do not remedy the problem, the parent should contact the Lady Mystics Basketball Team Coordinator to schedule a meeting with the player, parent and coach to arrive at a solution.

UNDER NO CIRCUMSTANCES is a parent to approach a coach with a complaint or an evaluation of coaching philosophy. The above procedure must be followed in dealing with any situation that may arise. The administration of the Lady Mystics Basketball team will **NOT ALLOW THE COACHES OR PLAYERS TO BE BERATED** by parents or fellow teammates. If you or your daughter refuses to follow the guidelines set forth, you will be asked to leave the Lady Mystics Basketball team.

The Lady Mystics Basketball team has great support and we hope that support will continue to grow each year. We hope that parents will support their daughter by attending their practices, tournaments and to continue to give positive encouragement. We encourage you to refrain from criticizing your child, their teammates, their coaches, or the officials.

Our rule for our players at all times is: **Do the Right Thing and Don't Let Your Teammates Down.** A player or spectator may be asked to leave the premises if they become disrespectful to other players, coaches, or officials. Please be careful and be respectful.

Phoenix Lady Mystics Basketball

Sportsmanship

The Lady Mystics Basketball team is committed to exercising good sportsmanship **at all times**. Our philosophy is that our female student-athletes should represent their team in a positive and respectful manner. We also would not want spectators to embarrass our players and the team with inappropriate behavior. The code of conduct expects the following from our players, families and spectators:

- Absolutely no foul language shall be permitted.
- Parents are asked to cheer for the Lady Mystics Basketball team in a positive manner.
- Show respect to those around you.
- Support your coaches and staff.
- Refrain from harassing referees and/or event staff.
- Please set a great example for your daughters by being a good sport in the stands.

Practices

Practice schedule can be viewed at: <http://www.nativehoops.com/phoenixladymystics.html>

Practices will be on Mondays (5:30 pm to 7:30 pm) in Phoenix, Arizona. Practices normally last for two hours. We will make every effort to not change practice schedules, however, things happen. Please be flexible and cooperative.

If a player must miss a practice or game, the player must call Coach Largo at 623.692.7901 as soon as possible. Athletes who miss practice, are missing valuable information and training time, and potentially, may have their playing time affected by absences or tardiness. To emphasize player responsibility, we do not want parents to call on behalf of their daughter. It is the player's responsibility to call Coach Largo to discuss the reason for missing practice or missing a game. "No Call, No Show" will not be tolerated.
